OSTENDE (STATION)

Annex office opened on 15 March 1887. Became OSTENDE/2 on 19 October 1910

Liège Guillemins

Liège-Guillemins is the main station of Liege. It is an important junction of the Belgian railway system. Designed in the early days of the railways in Belgium, the lines and platforms were designed to be contiguous with the new high-speed international line between Brussels and Aachen which was under construction.
